BLACK 5 CHALLENGE

We are looking for the "Kronplatz Black 5" Champions! In order to become one, it is necessary to master the five black ski runs on Kronplatz: the Sylvester, Herrnegg, Preda Peres, Erta, and Piculin, to take a photo of each one, and post it on Facebook. Anyone who gets at least 255 Likes with his or her picture will receive one of the exclusive Kronplatz gadgets.

SHOOT YOUR OWN SKI MOVIE

How would it be to have a video that shows you in your best stance while skiing? You'll have the opportunity for it on Kronplatz. The BMW xDrive Slalom is ready for you on the Olang 2 ski run. After you have catapulted out of the starting blocks, the entire course is recorded by the ski-movie cameras and can then be downloaded along with your time.

SNOWMAKER WORKSHOP

What is the technology that ensures snow for the ski slopes? What is needed for slope grooming, and why exactly is it that the ski runs on Kronplatz are among the best groomed anywhere? You can find out this and more at the Snowmaker Workshop. From March 13 to 17, 2017, those in charge of snow production and slope grooming will share their knowledge.

WINE & BEER WEEK

Combining skiing with wine and beer tastings can be done on Kronplatz from March 27 to 31, 2017. There will be an impressive selection of top wines and beers to taste at participating ski huts. With the purchase of a skipass that is valid for at least three days, you will receive your Wine & Beer Card that will be punched at each tasting.

POTATO WEEK

From March 20 to 24, 2017, we will show you just how good the Val Pusteria-Pustertal valley potatoes are that thrive so excellently in our soil. In the ski chalets and restaurants along the ski runs as well as in the valley and mountain terminals, a plethora of dishes will be on offer that showcase the potato in creative and innovative but also traditional ways. Bon appetit!

"RODELGAUDI" Sledding Party on the Longest Sled Run in South Tyrol-Südtirol

Let's head up to the sledding party in the Valli di Tures and Aurina-Tauferer Ahrntal! Every Thursday afternoon, meet up on the Speikboden to then sled down the 10 km (6.2 mile) long sled run. Along with a sledding guide, the run descends from the mountain terminal down to Lutago-Luttach and then with a shuttle back to the valley terminal. The price includes a hot drink, the equipment, and the shuttle.

SNOWSHOE HIKE with Graukäse Cheese Tasting

On Mondays, there is a unique opportunity to combine a special culinary treat with impressive mountain panoramas. With snowshoes, you can hike from the Speikboden mountain terminal to the Trejer Alm alpine refuge. The innkeeper will already be waiting for you there with a variety of dishes made with Graukäse [aged Tyrolean gray cheese]. Pamper your palate with this culinary specialty from the Valli di Tures and Aurina-Tauferer Ahrntal.

Spending the Night in a **MOUNTAIN IGLOO**

What is it like to spend the night in an igloo at 2,000 m (6,600 ft.) above sea level? Try it out! Not far from the mountain terminal on the Speikboden, a restaurant igloo and several sleeping igloos are available for guests. There is even a mountain sauna and a heated pool. The next morning, a delicious breakfast will be served for everyone in the mountain restaurant.

GOURMET EVENING

at the Kristallalm (1.600 m)

A dinner of a very special kind: at the Kristallalm alpine refuge, delicious cheese and meat fondues are served every Tuesday evening, with the lovely view of the peaks of the Alps included at no extra charge. Afterwards, it is possible to sled down the lighted sled run back to the valley. As an alternative, there is also the possibility to have the 11.00 P.M. gondola comfortably take you back.
